

Move to Business NBN today

Painless NBN for business

The NBN is a big change for small business. But it doesn't have to be a big fuss. We're here to help you make the most of this new technology.

Whether you're planning ahead, about to connect, or simply looking for a better deal, MyNetFone can help you make the switch.

- ✓ Australian support & service
- ✓ Easy connection & activation
- ✓ Unlimited downloads (optional)
- ✓ Plans from **\$69.99/mo***

NBN options for your business

The NBN gives you a choice of four speed tiers. Lower speeds are an affordable option for basic office internet. Higher speeds are essential for modern office communication services like Cloud Phone, SIP Trunks, Virtual Fax or voice and video conferencing.

Basic

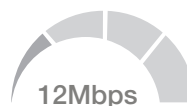

Suitable for:

- 1-2 users with few devices
- Browsing / Emailing

Standard speed during work hours (9am – 5pm):
11Mbps download / 0.9Mbps upload

Plans from

\$69.99/mo.

Standard

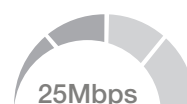

Suitable for:

- Up to 3 users with a couple of devices connected.
- Browsing / Emailing
- Cloud Phone / VoIP

Standard speed during work hours (9am – 5pm):
22Mbps download / 4Mbps upload

Plans from

\$79.99/mo.

Standard Plus

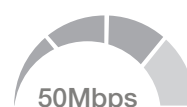

Suitable for:

- 3-5 users using the internet simultaneously
- Browsing / Emailing
- Cloud Phone / VoIP
- Large downloads

Standard speed during work hours (9am – 5pm):
45Mbps download / 18Mbps upload

Plans from

\$89.99/mo.

Premium

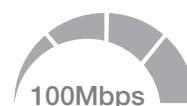

Suitable for:

- 5-8, heavy use and downloads
- Browsing / Emailing
- Cloud Phone / VoIP
- Large downloads
- Video conferencing

Standard speed during work hours (9am – 5pm):
90Mbps download / 36Mbps upload

Plans from

\$99.99/mo.
